How to purchase one of our Short-N-Numbers

**Step 1. Purchase**: Call or e-mail and tell us which N-numbers interest you, and what type of aircraft you own, because we might have a few new pending N-numbers not yet listed. Preferred method of payment is PayPal.

**Step 2. Contact Info**: After your purchase we will need the exact company name or individual name, address, e-mail and phone number that you would like your N-number transferred to.

**Step 3. Relinquish & Transfer**: We will mail you a signed letter that relinquishes and transfers all rights.

**Step 4. FAA Registration Branch**: Sign and mail your relinquish & transfer letter with a $10 payment for each N-number to:

FAA Aircraft Registration Branch, AFS-750  
P.O. Box 25504  
Oklahoma City, OK 73125-0504  
(866) 762-9434

**Step 5. Wait Time**: The FAA Registration Branch can sometimes have a document processing back-log of up to four weeks.

**Step 6. Renew**: Your N-number must be renewed every twelve months at a cost of $10 per N-number. Renewals can be done online.

Note: You may call or e-mail the FAA Registration Branch directly. They are very helpful.
